### Service Stopped for Hodeidah

Dear Valued customer,

Please note due to recent political developments in Yemen, Port of Hodeidah is closed for all activities and no Vessel is allowed to call port of Hodeidah. As a result of which No Fresh Bookings will be accepted for Hodeidah with immediate effect.

For Cargo loaded or in-transit to Hodeidah or cargo awaiting approval from United Nations prior to shipping from transshipment port Jeddah, we recommend our clients to Change the destination of the shipment or accomplish the B/L, as the congestion can be longer than expected.

Storage costs at Jeddah or other Transshipment hubs and/or at Hodeidah will be invoiced to clients.

Thank you for your ongoing support. Should you have any questions or concerns, please contact us at concerned desk.

Best Regards,

**CMA CGM Agencies India Pvt. Ltd.**
