

■ Mediterranean Gulf Express (MGX) – Service Enhancement Fast Miami Coverage

May 4, 2017

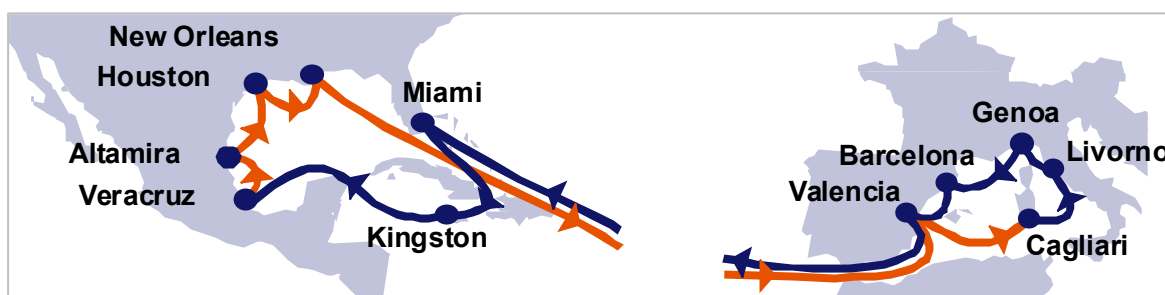

Dear Customer,

Further to our [CustomerInfo](#) dated March 21, 2017, we are glad to inform that we will add the port of **Miami to the rotation of our MGX** service.

This will improve our connectivity to the major southern Florida markets, offering excellent transit times of for instance 15 days from Livorno and 11 days from Valencia to Miami.

The first MGX vessel to call Miami will be the **Venetiko 03W22**, sailing from Livorno on May 27, 2017 and arriving in Miami on June 11, 2017.

The new rotation of the MGX service will be:

The temporary MAS service set up in March to cover the Florida market from the Mediterranean will be replaced by our enhanced MGX.

For further information, please contact your local Hapag-Lloyd office.

Kind regards,

Hapag-Lloyd AG
