Atlantic Loop 4 (AL4) – Enhanced port coverage

July 2, 2018

Dear Customer,

Hapag-Lloyd and THEA have decided to further enhance the AL4 service coverage by adding Mexican port **Tuxpan** to the rotation.

The first sailing from North Europe is the MV GENOA 004W/004E ets Bremerhaven 30.7.2018.

The port of Tuxpan offers you following benefits:

- No dependence on tides
- Close to the open sea
- No congestion
- State-of-the-art-technology
- Sufficient reefer plugs and PTI facilities
- Efficient port operation
- Modern highway linking Tuxpan with the commercial areas
- Natural distance advantage to main commercial areas Mexico City and the industrial and automotive hub of the Bajío area
- Tuxpan's customs is authorized as a bond precinct for import & export
