

## ■ Enhanced West Africa Network – West Africa Mediterranean Express (WMX)

July 8, 2016

Dear Customer,

We are pleased to inform you about our upgraded **West Africa Mediterranean Express (WMX)**.

As of end July 2016, we will have a new revised **WMX** service, with an increased port coverage sailing every 8 days from / to the Mediterranean.

All existing connections to Hapag Lloyds comprehensive service network will be maintained.

Port rotation will be as follows:

La Spezia • Genoa (Genoa & Messina Terminal) • Tarragona • Valencia • Algeciras (TTIA & APMT) • Tangier • Dakar • Tin Can • Tema • Takoradi\* • Abidjan • La Spezia

\* Takoradi will be called twice a month

From/To	Dakar	Tin Can	Tema	Takoradi	Abidjan
Day	FRI	THU	SAT	MON	WED
La Spezia	13	19	21	24	26
Genoa	11	17	20	23	25
Tarragona	10	15	18	20	22
Valencia	7	13	15	17	19
Algeciras	4	11	13	16	17
Tangier	3	10	12	15	17

From/To	La Spezia	Genoa	Tarragona	Valencia	Algeciras	Tangier
Day	WED	THU	SAT	MON	THU	FRI
Dakar	25	26	28	30	33	34
Tin Can	20	21	22	24	27	28
Tema	16	17	20	22	24	25
Takoradi	14	15	18	20	22	23
Abidjan	12	13	15	17	20	21

With the revised WMX service together with our WAX (West Africa Express), we will have a further enhanced West African Network, with competitive transit times from the Mediterranean to West Africa and vice versa.

Tarragona, Valencia, as well as Algeciras and Tangier are used as connecting ports for transshipment from / to North America, Latin America and from / to Far East.

With the additional ports La Spezia, Genoa and Takoradi, we can offer you a sustainable service which will meet your transport requirements.

The West Africa Mediterranean Express (WMX) will commence in week 30 at La Spezia with the MV Vivien A voyage 0116S, ETS La Spezia July 30, 2016.

For further information please contact your local Hapag-Lloyd office.

Kind regards,

Hapag-Lloyd AG
