

■ **General Rate Increase – Atlantic Eastbound**

**From the East Coast & Gulf of USA and Canada to North Europe and Mediterranean**

May 31, 2016

Dear Customer,

The freight rates on this trade lane have dropped to such low levels that makes it partially more efficient to reposition containers empty instead. Consequently Hapag-Lloyd needs to increase the rates for all cargo and all container types effective **July 1, 2016** by:

■ **To North Europe and Mediterranean**

From	USD / 20'	USD / 40'
USA East Coast and Gulf	200	300
Canada East Coast and X-Border	100	200

For further information please contact your local Hapag-Lloyd office.

Kind regards,

Hapag-Lloyd AG
