NESM – Service Update

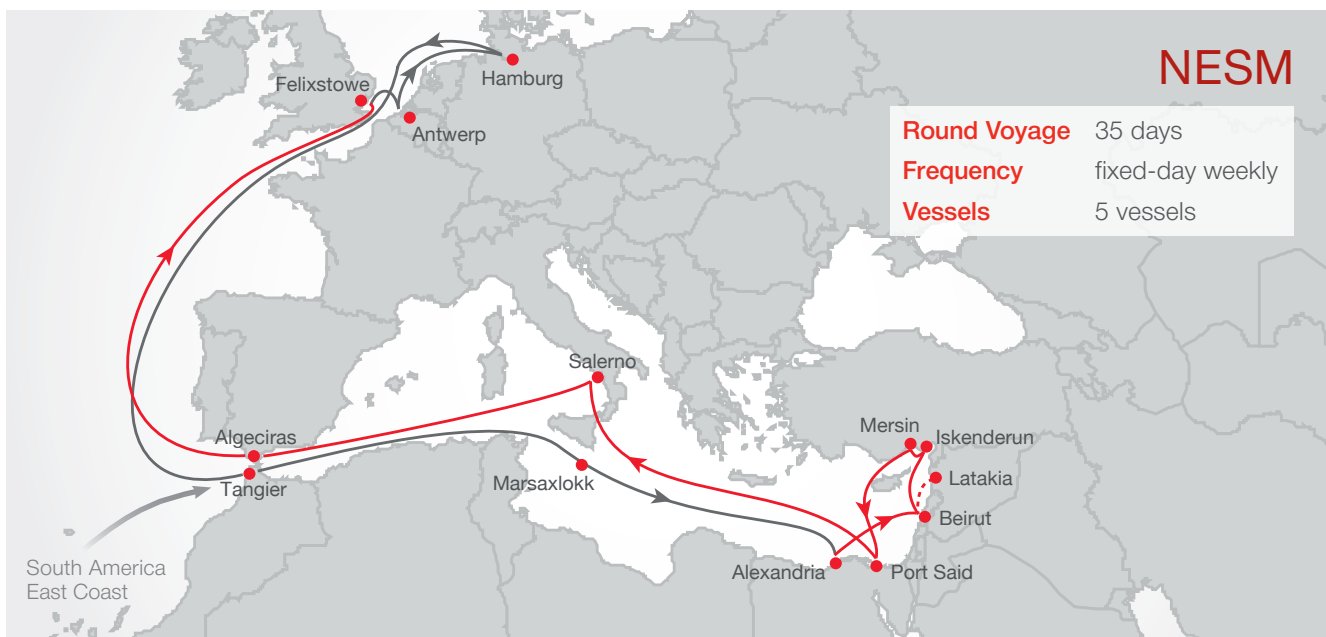

North Europe to South Mediterranean –
South Mediterranean to North Europe

Dear Valued Customers,

Hamburg Süd is pleased to announce the following change of its weekly North Europe – South Mediterranean Service: Hamburg Süd will now provide three out of five vessels with one vessel supplied by Seago Line and CMA CGM respectively. All transit times remain largely unchanged compared to the current pro forma schedule. Lattakia will now be served through a dedicated weekly feeder connection via Beirut.

The first sailing following the altered service set up will be performed by Rio Madeira 708, ETA Felixstowe February, 23.

We would like to take the opportunity to thank you for your continuous support of our services.

For further information, please contact your local Hamburg Süd office.

North Europe to South Mediterranean – South Mediterranean to North Europe

Product Highlights for the new service launch

- Long standing service tradition in the Levant Sea
- Extensive inland coverage in North Europe and UK as well as Scan-Baltic feeder connectivity
- Quick transit time between Hamburg and Alexandria: 10 days
- High plug capacity for your temperature controlled reefer shipments
- Possibility to use the Hamburg Süd reefer depot in Alexandria
- Dedicated service from Salerno to the UK and North Europe
- Inbound transshipment connection via Tangiers for dry and reefer cargo from South America East Coast
