

# Change of Destination Product – Scope World to/from World

Published on 18 December 2017

We at Maersk Line constantly strive to provide reliable and innovative products to our customers. In order to continue offering our high quality and unmatched reliability, we will be revising our change of destination product, offering a new set up for ALL Cargo, **effective 15<sup>th</sup> January 2018**.

The new product will be as follows:

- Currency - USD

Surcharge Code	Surcharge name	Scope	Level	Applicability
COD	Change of Destination	World to World	300	Per container
CAD	Change of Destination - Administrative Cost	World to World	300	Per B/L
CED	Change of Destination - Extra Restows	World to World	300 + Extra cost associated	Per container
CID	Change of Inland	World to US &	150	Per B/L

Surcharge Code	Surcharge name	Scope	Level	Applicability
	Destination	Canada		

The change of destination – Administrative cost (CAD) will be charged per B/L only on those cases where the transshipment port does not change and we are just amending the final port of discharge. This request must be done, at least, 96 hours before the arrival to the transshipment port

The change of destination – Extra Restows (CED) will be processed only upon confirmation of the acceptance of the extra costs associated
