

Doha Port Activities Relocating to New Hamad Port

lundi, novembre 28, 2016

Migration of all container terminal operations from Doha port to the new Hamad port effective 1 December 2016

With reference to the notification sent by Qatar Ports Management Company, please be advised of the migration of all container terminal operations from Doha port to the new Hamad port effective 1 December 2016.

Important details outlined:

Hamad Port

1. To start receiving full and empty containers from 23 November 2016, 6:00 AM. The shift operates 24*7.
2. Stevedoring and handling of imported containers effective from 1 December 2016, 12:00 AM. The shift operates 24*7.

Doha Port

1. Last date for receiving export and empty containers is 26 November 2016, 5:00 PM. The shift operates full time until 30 November 2016.
2. Last accepted container vessel to berth is on 30 November 2016, 11:59 PM. However, vessels that are under operations at Doha port are requested to complete their procedures.
3. Import container delivery is from 1 December 2016, 7:00 AM until 31 December 2016, 2:00 PM. Day shift from 7:00 AM to 2:00 PM from Sunday to Thursday.

Please note that as per the port authorities, any cargo or containers that remain at Doha port beyond 30 days of the specified dates will be transferred to an auction committee from 1 January 2017.

Kindly note that once the shipment has been booked and confirmed, any change in the dates of container movement from Doha port to Hamad port will be customers responsibility including any charges incurred for this change.

We at Maersk Line, will do our utmost for seamless operations to ensure an easy transition for our customers. Rest assured, if there are any further developments, we will continue to update you on the same.

Please reach out to our customer service team for any clarifications/ more information
