

Dear Colleagues , Please find attached MAERSK advisory on ceasing acceptance to Hodeidah with immediate effect. Please kindly make your colleagues team aware.
This info will be uploaded on the [Middle East Sharepoint Site](#)

Background info // Missiles where shoot from Yemen to Saudia direction. Hodeidah is in control of Saudi/ Saudi is supporting the rebels to the Aden government / Aden is under control of Yemen Govt.

MAERSK advisory on ceasing acceptance to Hodeidah with immediate effect.

Due to recent restrictions on Port of Hodeidah we will proceed to close any further acceptance of new bookings **effective immediately**. The cease of booking acceptance applies **only to Hodeidah**, Aden is still open till further notice.

Following actions are being highly suggested as an action to ease your process of booking and delivery of cargo in Yemen;

Bookings	Containers	Suggested Action
New	Not picked up	Cancel or Divert to Aden
New	Gate Out	Cancel, divert to Aden or Use for other exports
New	Gate in Terminal	Divert to Aden or rebook to other destination basis customer confirmation
Old	Load/On Water	Divert to Aden or Return to Origin
Old	In Saudi Transhipment Port	Divert to Aden or Return to Origin

We will evaluate best course of action and will further update you.

Process : Please check locally with your customer service from MAERSK / HAPAG / MSC
