Subject: THE Alliance changes German port call on Transatlantic AL5 service

Dear Mr Priess,

We herewith would like to inform you that following further fine-tuning of schedules and finalization of the terminal selection process, it has been decided to change the Bremerhaven call on our Transatlantic AL5 product (North Europe – USWC Service) into a Hamburg call.

In Hamburg the AL5 service will be operated at CTA, Am Ballinkai 1 21129 Hamburg.

Following the aforementioned changes the AL5 product now looks as per below:

Southampton (Wed/Wed) --> Rotterdam (Thu/Fri) -->
Hamburg (Sat/Sun) --> Antwerp (Mon/Tue) --> Le Havre (Wed/Wed) --> Savannah (Thu/Fri) --> Cartagena (Tue/Wed) --> Los Angeles (Thu/Thu) --> Oakland (Sat/Sun) --> Tacoma (Tue/Wed) --> Vancouver (Wed/Thu) --> Los Angeles (Mon/Mon) --> Balboa (Tue/Tue) --> Cartagena (Thu/Fri) --> Punta Caucedo (Sun/Sun) --> Savannah (Thu/Fri) --> Southampton (Wed/Wed)

If you have any questions do not hesitate to contact your local sales office. Contact details can be found on our website www.molpower.com.

Sincerely,

MOL (Europe) B.V.
