## Golden Week Network Changes

Far East Asia to North Europe  
 Far East Asia to Mediterranean  
 North Europe to Far East Asia  
 Mediterranean to Far East Asia

To our valued customers,

In connection with the upcoming Golden Week period, Maersk Line has endeavoured to balance our network to match reduced demand for the next several weeks. We aim to minimize the impact to our customers by securing alternative routings wherever possible.

This is our first update to inform you of our new blanking schedule. We will share more details about revised routings as soon as they become available.

For further questions, we encourage you to liaise with your local Maersk Line customer service representative or check <https://my.maerskline.com/>.
