

Asia Europe Trade: Revised in Terminal Handling Charges (THC) – Madras

Dear Valued Customer,

Please be informed that, with effect from 3rd June 2017, NYK will be revising Terminal Handling Charges (THC) for Madras on 20' imports due to the introduction of CTO (container turnaround operations) charges by the terminal for container discharged at MAA.

The applicable charges are as follows, on the basis that cargo is Non-Dangerous Goods in 20'/40'/40'HC General Containers and 20'/40'HC Reefer Containers. For cases of Dangerous Goods cargo, please contact your local NYK Line customer service representative.

The new levels will be applicable across all trade lanes and services operating to and from Europe.

	20GP	40GP/40HQ/45HQ	20RF	40HCR
Import	5,050	6,800	10,500	14,500

Currency is in INR

Other previously announced rates and applicable surcharges will remain unchanged. These are available at the following links:-
