

Dear customer,

To provide you with reliable and innovative service, Safmarine is revising the Dangerous Cargo Surcharge (ODC/DDC) tariff for **all hazardous cargo** transported by carrier haulage in France, effective **01st July 2018 for non-FMC corridors**, and **01st August 2018 for FMC corridors**.

The revised surcharge amount is detailed in the following table:

Surcharge code	Origin	Destination	Currency	Revised level
ODC	France	World	EUR	150 per container
DDC	World	France	EUR	150 per container

If you have any questions, please feel free to reach out to our local offices on Safmarine.com.

Sincerely,
Safmarine

Together we go places
