Safmarine Announces Service Changes in East Coast of South America to Europe trade

Dear valued customer,

In view of the continuously evolving trading conditions and to continue to meet your changing needs, effective October 2017 Safmarine will consolidate its current service setup between the East Coast of South America and Europe.

New ECSA-EUR setup will consolidate into 02 weekly services:

SAMBA: Rotterdam (Netherlands) – London Gateway (United Kingdom) – Hamburg (Germany) – Antwerp (Belgium) – Le Havre (France) – Algeciras (Spain) – Santos (Brazil) – Paranagua (Brazil) – Buenos Aires (Argentina) – Montevideo (Uruguay) – Itapoa (Brazil) – Paranagua (Brazil) – Santos (Brazil) – Pecem* (Brazil) – Tangiers (Morocco)

First new SAMBA call will be in ROTTERDAM on Thursday September 28th, vessel CAP SAN LORENZO

BOSSA NOVA extended into MED: Malta (Malta) – Genoa (Italy) – Barcelona (Spain) – Valencia (Spain) – Algeciras (Spain) – Salvador (Brazil) – Sepetiba (Brazil) – Santos (Brazil) – Itapoa (Brazil) – Buenos Aires (Argentina) – Rio Grande (Brazil) – Itajai (Brazil) – Itapoa (Brazil) – Santos (Brazil) – Sepetiba (Brazil) – Tangiers (Morocco) – Algeciras (Spain)

First new BOSSA NOVA call will be in MALTA on Friday October 06th, vessel CC Magdalena.

We are confident that this revised setup will result in a more stable and reliable product that adequately responds to recent market demand developments, as well as offering you access to a wider coverage of ports.

New schedules will be shared in due course.

For further questions or comments, please contact your local sales representative.
