

Good day

Please take note that 2M will change Miami as POD/ into Port Everglades in week31 (TA1 – ML & ATL1 MSC).

We expect to have an official announcement later today or tomorrow.
RCM will be updated and the carriers will get in contact with your operation for running bookings.

In case any support from our side is needed, please let us know.
Thanks for your attention and have a good day

Rgds

Maria Assmann
