13 October, 2016

Further to our earlier advisory dated 29 September, 2016, on the congestion at Shuwaikh terminal, please be informed that port situation at the terminal has improved and waiting time for ships has reduced to 3-4 days.

Due to the improved situation we will **stop** the implementation of Emergency Cost Recovery (ECR) surcharge, with immediate effect.

Please do not hesitate contacting your local sales or customer service representative if you require further information or have any queries.

Yours sincerely,
