
Re: Implementation of Bunker Surcharge (EBS)

Dear customer,

In light of the steep increase of the bunker prices and in order to continue our good and reliable service, it has become necessary to implement the Emergency Bunker Surcharge (EBS) of 34 USD per TEU on FAK (Freight All Kind) cargo for the following trades:

Israel base ports to Adriatic base ports (Italy & Slovenia) (both EB & WB trades);
Israel base ports to Tyrrhenian base ports (Italy & France) (both EB & WB trades);
The above EBS charge shall be implemented as of May 27th, 2018, till further notice.

- Above EBS charge is additional to the applicable base freight charge, THC, bunker, security related and PSS charges which are provided in ZIM's Tariff Calculator (<http://www.zim.com/knowledgecenter/tools/pages/tariff-calculator.aspx>) as well as to other charges for additional services, local charges and contingency charges.
- For further details kindly see our website www.zim.com or contact our local sales / customer service representative.
- For further details regarding additional commodities kindly contact ZIM local sales.

*** Russian trades are excluded. For details regarding freight and charges for Russian trades please contact the local sales/customer representative;

These measures are necessary in order to maintain our current levels of service and high reliability.

Sincerely yours,
ZIM Integrated Shipping
