

Marseilles, January 30th, 2020

Notification ref. MNMED2020\_04

**Subject:** Post Chinese New Year capacity adjustment – February / March

To our Valued Customers,

To cope with current market conditions and due to recent sanitary regulations, impacting fluctuation between supply and demand on the Asia / Mediterranean Line, CMA CGM decides to adjust its network capacities in order to maintain a high quality and reliability of services.

Driven by its dedication to meet customers' expectations, CMA CGM is announcing following additional void sailings:
