

AL4 Service - Terminal Change Veracruz, Mexico

Dear,

Kindly be advised that Messrs. Internacional de Contenedores Asociados de Veracruz SA de CV – **ICAVE** have migrated their operations from previous Terminal 1 to their **new Terminal 2** since July 1, 2019.

Due to above, our **Atlantic Loop 4 (AL4)** operations will be transferred shortly to **ICAVE Terminal 2**, Veracruz commencing with the arrival of MV "GENOA" V-14W / V-14E, ETA Veracruz, Mexico on **November 21, 2019**.

We draw your attention to the importance of due consideration of above terminal change, in order to avoid possible delays with import and export dispatches by announcing same to your Customs Broker (s) in a timely manner.

For ease of reference, below please find **specific terminal (s) data** to observe:

- Fiscal ID number for Terminal 1 69
- New Fiscal ID number for Terminal 2..... 275
- Customs House ID number remains unchanged 430

We are here for you – if you have any questions or comments, please contact your local [Hapag-Lloyd office](#) or send me an [email](#).

Best regards,

Michael
