Atlantic Trade – AL4 Service with enhanced port coverage

March 1, 2019

Dear Customer,

We would like to inform you that as Hapag-Lloyd, we keep offering the enhanced port rotation on our AL4 Service including **TUXPAN, Mexico**.

We are glad to be the only global carrier now offering this unique port call with all its advantages in the market.

Below you can find some of the benefits the Port of Tuxpan provides:

- No dependence on tides
- Close to the open sea
- No congestion
- State-of-the-art-technology
- Sufficient Reefer plugs and PTI facilities
- Efficient port operation
- Modern highway linking Tuxpan with the commercial areas
- Natural distance advantage to main commercial areas Mexico City and the industrial and automotive hub of the Bajio area
- Tuxpan's customs authorized as a bond precinct for import & export

For further information, please contact your local Hapag-Lloyd office.

Kind regards,

Hapag-Lloyd AG
