

## Italy - Weighing Charge for Positioning by Truck

Dear ,

With a view to extending our weighing options for you in case of exports arranged under Carrier's haulage, we are pleased to inform you that with immediate effect Hapag-Lloyd can offer the **Weighing service for VGM declaration purposes** on container units positioned by truck.

For such service a Weighing Charge (WHO) of **Euro 80,- per container** is applicable.

We are here for you - if you have any questions or comments, please contact your local [Hapag-Lloyd office](#) or send me an [email](#).

Best regards,

**Michael**
