

Montreal, Canada – Implementation of Low Water Surcharge

Dear MATHIEU,

The St. Lawrence River water levels have decreased considerably, with latest forecasts by the Canadian Coast Guard predicting further reductions.

Effective **January 15, 2020**, Hapag-Lloyd will implement a Low Water Surcharge for all cargo moving to/via the port of Montreal as follows:

St. Lawrence Cont. Service – Route 1 (AT1) and 2 (AT2) - westbound

- USD 100 per 20' Container
- USD 150 per 40' Container

Mediterranean Canada Service (MCA) - westbound

- USD 75 per 20' Container
- USD 100 per 40' Container

We reserve the right to increase these levels on short notice, should water levels decline beyond current forecast levels.

We are here for you - if you have any questions or comments, please contact your local [Hapag-Lloyd office](#) or send me an [email](#).

Best regards,

Christian
