

West Med Black Sea Service (WBS) – Additional Barcelona Call

Dear,

As from week 25 we will drop the Piraeus westbound call on the West Med Black Sea Service (WBS). At the same time, we will add a Barcelona eastbound call to easily facilitate transshipment for your Atlantic cargo via one of our mainline services.

The adjusted rotation of the WBS will cover following ports:

**Istanbul • Burgas • Constanta • Istanbul • Gemlik • Tangier • Casablanca •
Barcelona • Piraeus • Gemlik • Izmit • Istanbul**

The first WBS sailing with this new rotation will be:

Westbound: “Odysseus” Voyage 023W19 with ETS Constanta, June 17, 2019

We are here for you - if you have any questions or comments, please contact your local **Hapag-Lloyd office** or send me an **email**.

Best regards,

Keep in touch
