## Service changes in Asia – Europe trade

Dear Valued Customers,

First and foremost, HMM would like to express its highest gratitude for your unwavering support and encouragement towards HMM.

As part of HMM's continuous efforts to broaden network coverage and improve service efficiency, HMM is pleased to announce that the company has decided to start to use the services in THE Alliance in "Asia – Europe trade lane" with the termination of its own AEX service.

The existing 2M+H strategic cooperation will be maintained, so all current services will be fully operational without failure.

Please refer to the below for further details.
