Port of Fos-Sur-Mer, France

Update: Congestion Surcharge Implementation – Import & Export

Dear customer,

The ongoing nationwide strikes in France affect all forms of transport across the entire country impacting the whole transportation sector. As consequence, we are seeing significant disruptions to our network in the South of France. Recent attempts at arbitration and mitigating the situation have been unsuccessful and we therefore expect further delays and disruptions, incurring additional costs. We are therefore forced to implement a congestion surcharge of

Import:

USD 300 (EUR 290) / 20' Dry and Reefer

USD 600 (EUR 580) / 40' Dry and Reefer

Export:

USD 125 (EUR 120) / 20' Dry and Reefer

USD 250 (EUR 240) / 40' Dry and Reefer

The above charges will be applicable for all cargo that needs additional transport via feeder to Fos-Sur-Mer due to current vessel omission at the port, effective as from the following voyage:

MSC Beatrice 950W / 002E

If you require more information, please contact your local sales manager or any of our customer service advisors.

With kind regards,
