

Additional Blanking Announcement – Asia to Europe Services

[Asia Pacific](#)[Europe](#)[China](#)

On top of our already announced blank sailings in relation to the Chinese New Year, we have seen a further reduction in demand due to the extended holiday period announced in China. Maersk endeavours to balance our network to match reduced demand. We aim to minimize the impact to our customers by securing reliable alternative routings.

AE7, Week 6

Vessel name	Voyage	First load port	First port date	Last load port	Last port date
