

Europe service adjustments

Publié actif 03 April 2019

Dear customer,

Following a recent review of Maersk Line's Asia to North Europe network, we wish to confirm the new transit times for your export cargo, which are effective immediately.

Our drive is to ensure we continue to deliver optimal results on both service stability and schedule reliability, and whilst transit times have been slightly extended for some destinations, please be assured we have worked to protect the main entry points for your cargo.

Listed below key destinations with the adjusted transit times, along with destination arrival day.

Destination	Changes
Felixstowe	New Transit time:46 days
UK	Arrival now: Sat 07:00, previously Wed 19:00
