

Blanking Advisory for North Europe – Far East Asia Eastbound Services

10 February 2020

[Europe](#) [Asia Pacific](#) [Spain](#) [United Kingdom](#) [Belgium](#)

We would like to inform you about two additional blanked sailings on our North Europe export services.

The blankings are occurring in connection with the recently announced blanked Westbound sailings due to the extended Chinese New Year seasonal demand reductions.

We aim to minimize the impact to our customers supply chain and provide predictability by making a structural change and securing alternative routings.

Overview of blanked sailings

The following sailings will be blanked:

Week	Service	Vessel	Voyage	First Load Port / Date	Last Load Port / Date
9	AE2	Marseille Maersk	008E	Felixstowe / 17-02-2020	Algeciras / 01-03-2020
9	AE6	MSC Ravenna	009E	Antwerp / 26-02-2020	Felixstowe / 05-03-2020

In order to minimize the impact on your business we will arrange for alternative coverage solutions within our network. The alternative coverage will be advised as soon as possible.

Thank you for your understanding and cooperation. We look forward to continuing working with you in the future. In case of any questions, please contact [your local customer service or sales representatives.](#)
