

CUSTOMER ADVISORY

Dear Customer,

In connection with the phase-in of our new Asia-Europe network, we are adjusting our North Europe to Asia Eastbound coverage in weeks 18-19 to ensure adequate coverage from all main markets during the transition.

We will add a sailing to the markets called by the AE5 (Scandinavia, Germany) and AE10 (Poland, Netherlands) services. Consequently, we will blank an AE1 Eastbound sailing in week 18 to facilitate this additional sailing.

Additional AE5/AE10 Eastbound sailing

To ensure a seamless transition to our new network and maintain weekly coverage, we will call the AE5 and AE10 main markets as per the [schedule found here](#).

AE1 blanking

In order to facilitate the coverage of the AE5/AE10 services, we will blank the week 18 AE1 service. Full details of which can be [found here](#).

Alternative coverage

- **Felixstowe:** AE2 Merete Maersk
- **Bremerhaven:** AE10 Munkebo Maersk
- **Rotterdam:** AE10 Munkebo Maersk
- **Port Tangier:** AE1 Maersk Edmonton

For further questions, we encourage you to liaise with your local Maersk customer service representative or check <https://www.maersk.com>.

We want to thank you for your business and look forward to continuously serving your global transportation needs.

Best regards,
Maersk

Your Promise. Delivered.
