

4th March 2019DG/OOG acceptance policy during 2019 Japan Golden Week for Japan Import cargo.

Dear Valued ONE customer,

This year we will have unusual long golden week since new emperor is planned to ascend the throne. Golden week will start from 27 th /Apr/2019 to 6 th /May/2019(Total 10days holiday) and most likely terminal gate will be also closed during this period.

To avoid any cargo rejection or trouble during this long golden week period, we would like to restrict Japan import booking acceptance of DG and OOG as below.

We will start restriction from 20 th /Apr considering risk of vessel delay DG Acceptance :

Only accept class 8/9 DG cargo(No acceptance of class 1-7 during above period)
For NE trade only , all DG cargo will be rejected due to trade policy

OOG/Break bulk acceptance : No OOG/Break bulk acceptance(Including in-gauge shipment)

Below is list of vessel which will arrive Japan during Golden Week period and need restriction :
