

Situation by country / geographic area

Europe: Decreased capacity over the course of days, especially during weeks 13 to 17.

MEA: we offer LCL (Less Container Load) containers from Jebel Ali to Abu Dhabi, Bahrain, Kuwait, Oman, Pakistan, Qatar and Saudi Arabia.

China: the country is in the phase of resumption of activities. Delays are to be expected between the various port areas. Currently, cargo ships are preparing for Week 16 shipments for Covid-19 and Ramadan.

Kuwait: holidays imposed for 14 days throughout the country from 03/12/2020. Customs and ministerial deadlines are to be expected.

Oman/Abu Dhabi: situation returning to normal.

Saudi Arabia: 2 weeks of "banishment" for all passengers from 03/15/2020.

Bahrain: suspension of flights to/from the United Arab Emirates, Asia and Europe until 03/31/2020.

Qatar: temporary halt of flights to/from Asia and Europe. The connection with the United States is maintained. From 03/18/2020, the import flights from Doha will be suspended for 14 days, excluding cargo and transit flights.

United States: stable situation with China. Capacity problem at Seoul International Airports (ICN), Beijing (PEK), Tokyo (NRT), Kuala Lumpur (KUL) and Singapore (SIN). Significant decrease in maritime export capacity.

India: many flights are cancelled from Europe/US to India. Securing charter flights to relieve missing capacities. There is also a shortage of containers, particularly for exports to India.

Peru: The country is in emergency stage for the next 14 days. Total closure of borders (air, sea and road) and suspension of international flights (or transport of goods).
