

## **Enhancement of the Caribbean Express Service (CES)**

Dear ,

We are pleased to inform you that we will enhance our current and weekly Caribbean Express Service (CES) as follows:

- Continuation of the current Hapag-Lloyd stand-alone product
- Combination of North Europe and one port of call at the U.S. East Coast – Westbound only as primary service into Norfolk, VA in addition to the existing Atlantic-Service AL1
- Attractive transit times from North Europe to the Caribbean destinations maintained
- Increase of the schedule reliability by deploying a sixth vessel
- No changes to the highly competitive Northbound transit times for Reefer customers

The new rotation will be as follows:

**London Gateway – Rotterdam – Antwerp – Norfolk, VA (U.S.) – Kingston – Willemstad – Oranjestad – Santa Marta – Puerto Limon – Caucedo – London Gateway**

The new rotation will be effective **M/V EMDEN Voyage 048S** with estimated date of arrival at **London Gateway on 22. November 2020**.

The transit times will be highly competitive and aligned to the needs of our customers.
