

Far East - Mediterranean Services - Vessel Maintenance Scheme Announcement for May and June

Dear ,

In view of the current COVID-19 situation and the resulting low market demand we will implement additional blank sailings in the Far East – Mediterranean Services.

We aim to minimize the impact to our customers supply chain. Therefore please note we have reinstated our MD2 sailing departing Asia in week 19 as per below details and we have included alternative routing options for every service adjustment within below table.
