

Far East Services - Vessel maintenance scheme (VMS)

Dear ,

In connection with the reduced demand resulting from the Covid-19 pandemic, Hapag-Lloyd will be adjusting its network capacity.

We aim to minimize the impact to our customers supply chain. Therefore please find alternative routing options for every service adjustment within below table.

Our newly implemented FE6 Service will continue to operate with reduced capacity in amended rotation as follows:

Westbound:

Ningbo – Shanghai – Xiamen – Tanjung Pelepas – Colombo – Felixstowe – Rotterdam – Bremerhaven

Eastbound:

Felixstowe – Rotterdam - Bremerhaven – Rotterdam – Tangier – Salalah- Colombo - Ningbo – Shanghai – Xiamen

Far East – Europe North Continent:
