

Improved East - Mediterranean Express Service (EME)

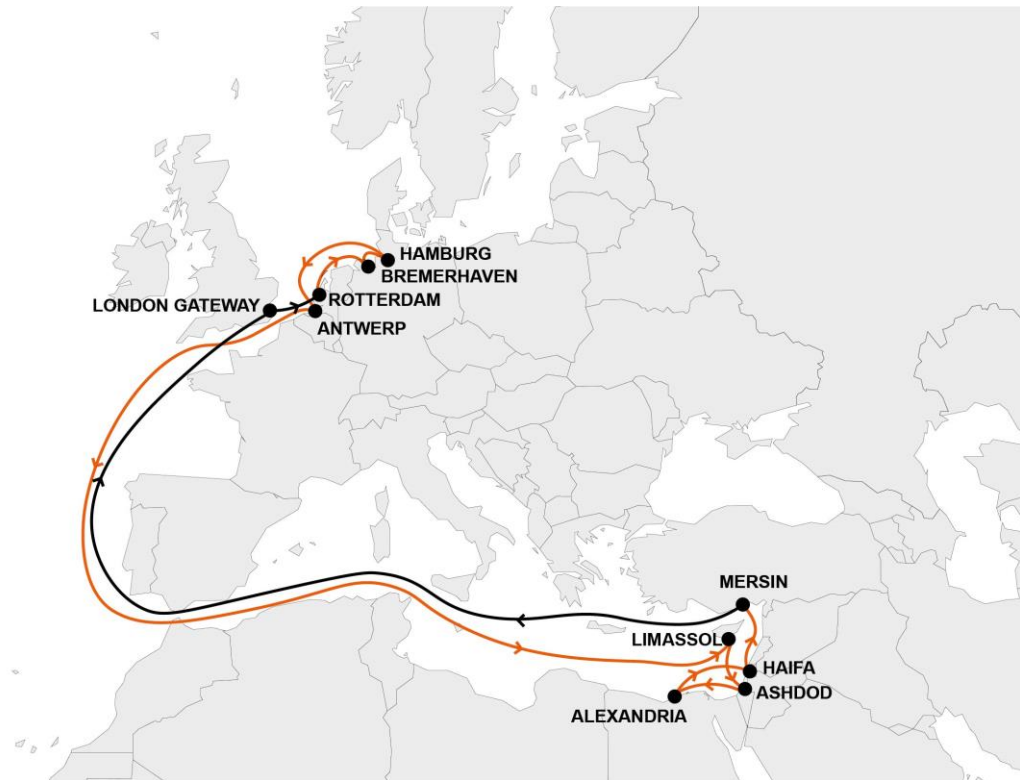

Dear ,

We are pleased to inform you that Hapag-Lloyd will further enhance its North Europe-Mediterranean products by restructuring the **East-Mediterranean Express Service (EME)**. As of mid of January 2021 the ports of Bremerhaven, Limassol, Ashdod and Haifa will be added to the weekly rotation. At the same time, a sixth vessel will be phased into the service in order to ensure high schedule reliability.

The EME will also offer most competitive transit times and excellent connectivity to our Global Mainline Network via Hapag-Lloyd hub ports.

The port rotation will be as follows:

London Gateway – Rotterdam – Bremerhaven – Hamburg – Antwerp – Limassol – Ashdod – Alexandria – Haifa – Mersin – London Gateway

The first southbound voyage ex London Gateway will start on January 14, 2021 and the northbound voyage ex Limassol on February 3, 2021.

Vessel names and voyage numbers will be announced soon.

If you have any questions or comments, please contact your local [Hapag-Lloyd office](#) or send me an [email](#).
