

## Philippines – Import Reefer Restrictions - Update

Dear ,

We would like to give you an update on the current situation in Philippines. Due to the easing of both terminal and overall inbound operations for reefer cargo bound to the Philippines, we are pleased to advise that we are able to accept again reefer cargo to the below mentioned Philippine ports.

Transshipment can thereby only be steered via the port of Singapore.

- Manila\*
- Subic Bay\*
- Davao
- General Santos

\*In the case of Manila and Subic, there are still some concerns regarding the inbound operations and in the event cargo has to be diverted from these ports short notice, all costs will be to the account of the cargo owner.

The terms of this Notice shall be read in conjunction with and without prejudice to Hapag-Lloyd's Bill of Lading / Sea Waybill terms and conditions and the Hapag-Lloyd tariff applicable thereto.

**If you have any questions or comments, please contact your local [Hapag-Lloyd office](#) or send me an [email](#).**

**Best regards,**

**Christian**
