

## Port Aden – Import Booking Restriction

Dear ,

Due to operational challenges there has been delays and congestion in Aden resulting in cargo pile up in the transshipment port.

In order to control the situation, we are temporary applying a **booking restriction** for all **imports into Aden** with immediate effect.

The booking restriction will be in place until further notice.

If you have any questions or comments, please contact your local [Hapag-Lloyd office](#) or send me an [email](#).
