Europe to Middle East & Indian Subcontinent Blank Sailing Announcement

Dear valued Customer,

In relation to the COVID-19 effect, we have seen a significant reduction in demand. Consequently, Hamburg Süd will introduce a series of blanked sailings to match the reduced demand from North Europe and Mediterranean to the Indian Subcontinent and Middle East.

Our aim is to minimize the impact to our customers supply chain and to provide predictability by securing a service plan and alternative routings upfront. We will make alternated blank sailings between EPIC and ME2 services to ensure that our customers face as little business disruption as possible.

The planned suspended vessel listed below and subject to change according to demand:
