Covid-19 - Blanking Announcement – Asia - North Europe Services

March 31, 2020

Dear Customer,

In relation to the Corona Virus effect in Europe, we have seen a further reduction in demand. Consequently, in addition to the already announced AE2 service suspension for Q2, there will be blank sailings on the AE6 and AE7 services. Blank sailing will start from Asia and will be effective for full round voyage including departures from Europe.

Maersk endeavours to balance our network to match reduced demand. We aim to minimize the impact to our customers by securing reliable alternative routings.

In case of any questions, please contact [your local customer service or sales representatives](#) or check <https://www.maersk.com/schedules/>.

Thank you for your understanding and cooperation. We look forward to continuing working with you in the future.

Best regards,  
**Maersk**
