

EQUIPMENT IMBALANCE SURCHARGE – TRADE EUROPE TO FAR EAST

EQUIPMENT IMBALANCE SURCHARGE ANNOUNCEMENT

Geneva, Switzerland, 8 September 2020

Dear Customers,

Due to the strong demand of 40'DC/HC and consequent need of ad hoc inventory repositioning, MSC Mediterranean Shipping Company will implement an Equipment Imbalance Surcharge (EBS) for the cargo moving from Europe to Far East.

As from 8 September (booking date) until further notice, the EBS will be charged:

- Export NWC (incl. UK, Ireland, Northern Spain & Portugal) to Asia: USD 200X40 DV-HC
- Export Baltic Countries (incl. Russia) to Asia: USD 200x40 DV-HC
- Export Scandinavia to Asia: USD 200x40 DV-HC

Any other elements of the price, as indicated in the last EU Price Announcements for the relevant trades published on [msc.com](https://www.msc.com), still apply and remain unchanged. Please consult MSC's website or contact your local agent for any further information.

Thank you for your support,
