Further to our [advisory of June 9th, 2021](#) regarding structural changes to our **North Europe to/from East Coast South America service (SAFRAN)**, CMA CGM wish to notify our customers that due to the continued congestion in many ports, **the temporary suspension of the Le Havre call is extended for a further 12 weeks** as from m/v Cap San Augustin voy. 0EWA1S1MA, in Rotterdam on August 26th, 2021.

So the rotation remains: Rotterdam, London, Hamburg, Antwerp, (Le Havre), Santos, Paranagua, Buenos Aires, Montevideo, Paranagua, Santos, Tanger, Rotterdam.

CMA CGM will assure the service to & from Le Havre as below :

Le Havre to Brazilian ports: via Algeciras to Sirius service

Le Havre to Plata ports: via Antwerp

Le Havre imports via Antwerp

We anticipate these actions will allow us to maintain an improved service & we thank you for your continued support.
