

# MSC INTRODUCES AN EMERGENCY INTERMODAL CHARGE ON US IMPORTS

## MSC PRICE ANNOUNCEMENT

**Geneva, Switzerland, 5 July 2021**

Dear Customers,

Due to the ongoing congestion issue in the US ports and intermodal inland network, the costs of inland services are raising significantly. Therefore, MSC will introduce an Emergency Intermodal Charge (EIC).

As from 1 August 2021 (gate in date at POL) until further notice, the EIC will be charged USD 350 per container for all import cargo to US via US and Canadian gateways where MSC is responsible for the rail, rail and truck, truck, and/or barge moves.

Should you have any questions, please [contact your local MSC representatives](#) in our global network of more than 500 offices.
