

Eurasia Train Notice Regarding Bad Weather in Kaliningrad

To whom it may concern,

Please be noted due to the bad weather condition in Kaliningrad (storm of more the 15m/sec). The sea port will be closed from Oct-20th evening to Oct-23rd or even longer depends on situation. Therefore, no vessel can arrive or sail to/from Kaliningrad during the period the canal is closed for navigation. The bad weather will make the port congestion getting worse and cause the longer lead-time.

Thank you for your attention on above information. We will keep monitoring and posting to you if any further update.
