

## Our Atlantic Loop 6 (AL6) service has an adjusted rotation

Dear ,

Your cargo planning might be affected by the changes in our Atlantic Loop 6 (AL6) service. We will adjust this service by temporarily replacing the port of Savannah with the port of Charleston.

The first vessel with this modification will be MV CMA CGM La Traviata V. 004W, with Estimated Time of Departure (ETD) from Algeciras on November 1, 2021 and Estimated Time of Arrival (ETA) to Charleston on November 27, 2021.

In Charleston, we will be calling the Wando Welch Terminal (WWT).

**Please find below the updated rotation for this service:**

If you should require additional information, please contact our customer service team at your [location](#) who will guide you based on your individual situation.

If you have any questions or comments, please contact your local [Hapag-Lloyd office](#).

Best regards,
