

Our Atlantic Loop 3 (AL3) service has an adjusted rotation

Dear ,

Your cargo planning might be affected by the changes in our Atlantic Loop 3 (AL3) service. In our continuous efforts to optimize our service portfolio, stabilize schedules and adapt to market needs, we will adjust the AL3 service by **temporarily removing the port of Savannah, US** from its rotation. The call will be **replaced by adding the port of Jacksonville, US** to its rotation.

The last westbound sailing to Savannah will be MV Potomac Express V. 003W. For your reference, please find below the rotation.

Antwerp, BE	October 24, 2021
Hamburg, DE	October 26, 2021
