

## Canada - Booking Window

Dear ,

An increasing number of operational limitations around the world are triggering schedule changes at a rapid pace which makes accepting bookings too far into the future unworkable given the high likelihood of changes.

In order to provide the most reliable, accurate vessel outlook to our customers and avoid repeated booking adjustments, as of March 8, 2021, we will be limiting our booking approvals to 6 weeks out.

Hapag-Lloyd fully understands that this is an important change and we are confident the same will ensure the best offering to our customers.
