

## Shipping with our Asia Mediterranean services? There are schedule changes for MD1, MD2 and MD3

The container shipping industry is never static, and keeping track of all changes can sometimes be overwhelming. Therefore, here's a short overview for our services between Asia and the Mediterranean where MD1, MD2 and MD3 have changes in their sailing schedules.

For your reference, please find below the highlights of these changes. If you would like to read the full details, we have included the links for each CustomerNEWS article.

- Shipping with our Asia Mediterranean services? MD3 schedule recovery measures are coming up. Read the details of the vessel schedule changes for our MD3 service [here](#).
- There are schedule changes for our MD1 and MD2 vessels. Both of these services will have alternating port omissions caused by schedule recovery measures. Get the full detail of our vessels [here](#).

If you would like to view our vessels' schedule information, please visit our vessel tracker in our [Online Business Suite](#). As an alternative, please contact our customer service team at your [location](#), who will be glad to guide you based on your individual situation.
