

Far East Loop 3 (FE3) – “HMM Rotterdam” Jebel Ali Omission and Contingency

Dear MATHIEU,

We wish to provide an update regarding **MV “HMM ROTTERDAM” - Schedule Voyage 003E** operating on the **Far East Loop 3 (FE3)**.

As informed previously, vessel was diverted via the Cape of Good Hope to avoid the blocked Suez Canal and prevent any further delay.

Due to the modified route, partners have jointly decided to omit the port of **Jebel Ali (AEJEA)** as part of schedule recovery measures.

The contingency plan for Jebel Ali-bound cargo will be as per below:

- Cargo will be discharged in Singapore (SGSIN) - ETA April 22nd 2021
- Connection back to Jebel Ali will be arranged with **MV “BUDAPEST EXPRESS”**
 - ETA - Singapore (SGSIN) May 6th 2021
 - ETA - Jebel Ali (AEJEA) May 16th 2021

Hapag-Lloyd deeply regrets any inconveniences this situation may cause and will keep you informed on any changes or additional information that may arise.

If you have any questions or comments, please contact your local [Hapag-Lloyd office](#) or send me an [email](#).

Best regards,

Annalena
