

## Peak Season Surcharge (PSS) – Iberia (incl. Spain and Portugal) to East Coast of South America

Dear Maximiliano,

Please be aware that as of **May 1, 2021** we will apply a Peak Season Surcharge (PSS) for all dry cargoes from **Spain and Portugal to the East Coast of South America** as follows:

Peak Season Surcharge for all Dry cargoes (all types of Standard and Special container)

- **250 EUR per TEU (Twenty Foot Equivalent Unit)**

You will notice that this increased surcharge gives us the chance to continuously offer you the service quality you are used to when booking with us.

The implementation of the PSS for Dry and Special Container (except Reefer Container) is based on the current logistical and operational challenges we do face in both Regions and valid until further notice.

If you have any questions or comments, please contact your local [Hapag-Lloyd office](#) or send me an [email](#).

Annalena
