

# TEMPORARY PORT ROTATION CHANGE ON LION AND GRIFFIN SERVICES – UPDATE 2

## MSC CUSTOMER ADVISORY

**Geneva, Switzerland, 21 October 2021**

Dear Customers,

We refer to our previous communications about combining the calls for our Griffin and Lion services in either Antwerp or Le Havre temporarily due to the congestion issue in Antwerp port. As the situation at Antwerp has not improved, MSC will be continuing with the temporary port rotation change arrangement for the next few weeks.

We will be omitting Antwerp on the Griffin service and to have an inducement call at Le Havre for the next 5 sailings.

We will also continue to combine the Antwerp call on our Lion service and to omit Le Havre for the next 4 sailings.

Should you have any questions, please [contact your local MSC representatives](#) in our global network of more than 500 offices.
